### OUR PLATFORM PROVIDES A TOTAL END TO END COVID-19 ENTERPRISE RISK MANAGEMENT SOLUTION.

#### COVID-19 SCREENING APP

With our App, your employees can answer the basic screening questions, as prescribed, via their mobile phones. This allows you to have immediate access to a system of record for your employees and their screening questionnaire responses.

Our Geolocation services further advances the accuracy of the responses by tracking locality of the mobile device utilised to complete the survey questionnaire, mitigating against questionnaires being completed at premises other than the workplace or place where work is being performed.

The mobile screening app is fully integrated into our COVID-19 Management Platform
